Steve Vines – Asia issues / Dr. Merrin Pearse – Friends Of The Earth / Raff Wilson – Hong Kong Philharmonic / Anthony White – Australian artist

On today's **Morning Brew**, we kick off at 10.10 with Steve Vines, who's going to tell us how much he supports and lauds yesterday's 2013 Policy Address, given by Hong Kong's Chief Executive!!! After 11 today, as planned last week, we'll have a reaction to the address from Friends Of The Earth, via Dr. Merrin Pearse (who would like more trees to be hugged in the forthcoming year). At 11.40, a chat with Raff Wilson, who is the Hong Kong Philharmonic's director of Artistic Planning. Raff is the brains behind this weeks "Antarctic Journey" concerts. At 12.10, meet Australian artist Anthony White, whose exciting new exhibition "Informal Relations" opens this week at the Cat Street Gallery. (morningbrew@rthk.hk, 9.30am-1pm)
